About Us

We, **Shiva Plastics**, established in the year **1985**, are one of the leading manufacturers and suppliers of an extensive range of **Packaging Materials**. Our range is fabricated using best grade plastics, which are sourced from certified vendors in the market. We also provide our range in various specifications, which can be customized as per the requirement of our clients. Our organization also has **agmark approved printer** that allow us to offer customized prints on the packaging materials such as **Polythene Bags and pouches, Multicolor Printed Bags, Laminated Pouch, LLDPE Bags, Printed Rolls for FFS Machines (for Automatic Packing) etc.** We are a quality conscious organization and committed to offer unmatched range of products to our clients maximum satisfaction. Our organization has a huge and capacious warehousing unit that ensures timely delivery. Furthermore, we have a team of highly experienced professionals who keep themselves abreast with industry developments to meet the changing requirement of our clients within the committed time frame. Under the able and superior guidance of our **Mentor, Mr. Prasoon Bansal**, we have created a benchmark in the competitive market. He has complete knowledge and experience in this domain and enables us to offer quality products to our clients. Moreover, owing to our clients centric approach, customized facility and timely delivery services, we have achieved the maximum...
